"A Year of Memories"
MAPLE LEAVES of 1957

DUBLIN HIGH SCHOOL
Dublin, Virginia

FOREWORD

With great pride and sense of achievement on the part of the class of 1957, this annual is dedicated to the task of recording very precious memories of our high school years.

It is hoped that as its well-worn pages are thumbbed, many pleasant memories will come to mind.

In years to come, our schoolmates will be scattered all over the world, and the only contact we will have will be through our annual.

We hope that in the future your annual will bring back memories of all your high school days--memories filled with victory and defeat, happiness and sorrow, ecstasy and depression; memories of the first day of football practice; the chants and yells of cheerleaders at rehearsal; pep rallies in the gym; Friday afternoon assemblies; and lilting melodies of the band at practice; the cafeteria line; the ordering of rings and invitations; the commencement sermon; the graduation exercises.

Oh, so many other activities could be mentioned! These are only a few to remind all of us that

THIS IS DUBLIN HIGH!

Cloyd D. Glendy, one of the most beloved men this community has ever known. Each one of us at D.H.S. has indirectly felt the effect of his untiring devotion to the young people in this area.

Mary Hodnett, former D.H.S. teacher, who met each day with a smile. In our hearts is a great sadness at losing her, but a great joy for having known her.

In Memory

Dedicated to...

A TEACHER

A FRIEND

A YOUTH

Joyce K. Whitmer

In the gym or behind your desk,
You've taught us of the things that you know the best.
You've taught us to strive for the higher ranks,
Not caring for praise or honor or thanks.

Your interesting ways of teaching has kept us awake,
You've taken the time to show us our mistakes.
Your subjects are fun and most attractive
Because your constant perseverance is always active.

Your patience is never-ending and in your own quiet way
You have given us of your knowledge as a favor day by day.
You have grown a part of us and as we prepare to go,
We leave our thanks and tears which we do now bestow.

We of the "Maple Leaves" have tried to compose our best,
To reveal the words of appreciation from all the rest.
And that is why, Joyce, we have chosen you for our dedication,
A teacher to whom we have given our respect and admiration.

*"We are
proud of our School"*

Our Principal

In our memories of D.H.S. we could not forget our principal and our faculty. They have helped us through our most difficult moments with patience and understanding. They have laughed with us through our moments of joy and cried with us in our moments of sorrow. Yes, our memories will be filled with those who guided us so well.

A LOOK INTO THE FUTURE

One day in the year 1957, we were in the chemistry lab experimenting with atomic energy. As we poured an unknown quantity into one of the test tubes --BOOM there was an explosion. When the smoke had drifted away, we looked about us and things had a strange appearance. Looking at the calendar, we noticed that the year was 1967.

Confused and dazed, we walked out of the lab. Walking down the hall we saw someone busy at a desk. After looking more closely we recognized DAYNA WHITT busy correcting English papers. Venturing further down the hall we met old chrome-dome LOUDERMILK with books stacked high in one arm, and a boy by the ear marching toward a classroom. Peering into the biology lab we saw PATSY LINKOUS, famous biologist, displaying her re-known collection of beetles.

Suddenly the lights went out and we were told when they come on again that they had been repaired by the school electrician, RONNIE LAWSON. We were even more confused when we looked out the window and saw HASSEL SUMNER in his new Bermuda gym suit, teaching a physical education class the fundamentals of kicking a football.

We decided to go downstairs, but were scared and dumbfounded when we noticed the escalator. Overcoming the feeling, we reached the bottom floor and heard a loud commotion coming from the office. We looked inside and could see no one, but the name over the door told us that RONALD WORKMAN was principal. Banging at the typewriter in the outer office was ETHEL WOOD.

We left the school and things become more and more confused. We walked to what we thought was an airport, but discovered upon arriving there that it was the new Dublin Flying Saucer Base. Going into the base we found five-star general, RAN-DOLPH EPPERLY, giving orders to Pvt.

DONALD SMITH on the proper way to peel potatoes.

Just off the saucer skidway, we noticed a telescope. We looked through in the direction of Fairlawn City, and noticed immediately the very modern building which had a sign over it reading, Tony's Atomic Gas--Owner, TYRONE LONG. Turning the telescope back to Dublin we saw CHARLIE LITTLEFIELD'S pharmacy. Coming out of the pharmacy was ANNETTE McDANIEL with two sets of twins by her side. Next to the pharmacy we noticed the Dublin Medical Building, and getting into his jet Cadillac was Dr. ROBERT BRUCE and his nurse, IRENE HOLLINSWORTH.

Looking westward, we noticed that the Dublin Theater was showing the Atomic-scope Production "Don't Be Cruel." It was the story of a famous Rock and Roll singer of 1957, starring the screens newest idol, KENNETH ALLISON.

Looking further, we noticed that John Cameron was interviewing DOROTHY McPEAK and PEGGY PODRUCHNY, famous diamond experts just returned from Africa. They were in front of the Lady Wrestler's Gym where Champion BETTY HAYES was trainer.

We turned from the telescope and things began to grow foggy. We shook our heads to try and clear them when we discovered we were again in the chemistry lab. Taking a look at the calendar, we found that it said 1957. Now we are confused, was this just a dream about the future or could it really be true.

Who knows??

LAST WILL AND TESTAMENT

We, the Senior Class of 1957, being of sound mind and gentle heart, leave our most priceless possessions to those we leave behind at D.H.S.

Ronald Workman leaves his quality of leadership to Doyt Bolling.

Betty Hayes leaves her giggle to Shelby Hill.

Ronald Lawson leaves his fear of female flirts to Ira Lee Weikle.

Annette McDaniel leaves her ability to get dates to Billy Jo Friend.

Peggy Podruchny leaves her red, red hair to Sue Quesenberry.

Donald Smith leaves his love of English and school to Frank Cline.

Patsy Linkous leaves her ability to make friends and her bermudas to Judy Simms.

David Loudermilk leaves his happy-go-lucky attitude to Sherrard Marshall.

Dayna Whitt leaves her friendly attitude to Geneva Worrell.

Hassel Sumner leaves--period!

Dorothy McPeak leaves her old bookkeeping book to Christine McPeak.

Charles Littlefield leaves his ability to be teacher's pet to Bill Cochran.

Irene Hollinsworth leaves her many crushes to Sally Danner, but is taking her attraction to older men with her.

Tyrone Long leaves Priscilla to get an education only!

Ethel Wood leaves her quietness to Shirley Paschal.

Robert Bruce leaves his way with the ladies to Buddy Keister.

Randolph Epperly leaves his muscles to Troy Flinchum.

Kenneth Allison leaves his wavy hair to Freddy Tolbert.

To the Juniors, we leave our many senior privileges.

To the Sophomores, we leave our chewing gum papers, what's left of our lockers, and our Elvis Presley pictures.

To the Freshmen and Eighth graders we leave our deepest sympathy--they shall need it.

To all students we leave steps to be climbed, well used books, and a library free from our voices.

To Mrs. Lytton we leave our broad ideas of American Government.

To Mrs. Howe we leave a better behaved, if not intelligent English class.

With these bequest we leave!!

Beta Club members are usually chosen from the eleventh grade. These students must have a "B" average in order to be eligible.

The Club is founded on four basic principles:

4. To be helpful to fellow-students, our school, community and nation.

The Beta Club is an active group engaging in many activities. Some of the activities include selling refreshments at the concession stand to raise money for the school library; having a planned program for each meeting; sharing responsibility of a Christmas formal with the Senior Sub-Debs; having a bake sale in Pulaski; publishing a mid-semester honor roll; sending a large delegation to the Beta Club Convention in Richmond; sponsoring a bulletin board display; and, sponsoring an assembly program.

MIXED CHORUS

The Dublin High School Mixed Chorus is an array of white satin on royal blue, and a balanced blend of youthful voices. But more than these, it is a mixture of memories of that first audition, a certain mood, a concert, rehearsals, or just plain belonging.

This group attended a concert given by the Roanoke Symphony Orchestra accompanied by 400 singing voices. In February several chorus members represented Dublin at All-State Chorus-West in Blacksburg. The chorus served as host to the District VI Music Festival-Vocal Section at our school in March.

In addition to the concerts and appearances in assemblies, this group presented programs in many of the area high schools and at Radford College.

VARSITY FOOTBALL

On November 16, the Dublin "Dukes" closed out their season with 34-6 win over Pembroke. The "Dukes", coached by Ken Dobson and Jim Humphreys, and captained by Bill Belcher and James Cochran completed the 1956 season with five victories and five defeats.

The opening game with George Wythe's "Maroons" found Dublin victorious by a score of 27-13. The following week the Dublin eleven took Pearisburg by a 25-0 count. The next week Blacksburg team rallied strongly in the second half to defeat Dublin 27-7. The next week the team, playing on the opponents home field, lost in the last minutes to Radford 12-7. After losing the Narrows 12-0, the "Dukes" lost a homecoming heart breaker to Christiansburg 13-7. This defeat found the "Dukes" at the top side of a 26-10 score over Fries in a sea of mud. Who will ever forget that one? After dropping a 12-6 decision to Pulaski, the "Dukes" bounced back to defeat Hillsville 25-6. In their clash with Pembroke, the Dublin team went ahead early in the game to register a 34-6 victory.

All in all, it was a good season, the best at Dublin High since 1950.

Only one boy, Ronald Workman, played his last season and he will be greatly missed next year. The boys on this years team played their hearts out and this was one of the big factors for their success.

The boys who played an important role were Captain Bill Belcher, Co-captain James Cochran, John Tucker, Harold Ward, John Edwards, Ted Anderson, Gary Mann, Lee Gooch, Clifford Underwood, Eddie Lafon, John Ball, John Elledge, Doyt Bolling, Frank Eller, Ronnie Workman, Wallace Bruce, Jerry Loar, Eugene Goad, Bill Craig, Benny Keister, John Hall, John McMullen, Larry Clevinger, Charles Tilson, James Bullion, David Withers, and Danny Tickle.

In closing, we would like to say, next year they will start again--Good Luck!!

TRACK 1956

It was hard work, but fun! Yes, getting into shape for track was both work and fun. Running around the baseball field until you thought you would drop was muscle building work, but it was worth it. Before you could catch your breath you'd jump and begin daily exercises--bending to the left, then to the right, lifting legs this way and that. Yes, our boys worked hard at representing our high school in track and we're proud, very proud of them and their coach, Mr. Gibbs.

The following boys took part in track: Kelly Childress, Jerry Loar, Hassel Sumner, Stephen Cox, Garnett Edmonds, Howard Williams, Harold Ward, James Cochran, Doyt Bolling, Bill Belcher, John Edwards, John Tucker, Charles Roope, and James Massey.

BASEBALL 1956

Baseball season came in with a whiz, a crack, and the yell of "Home run". Yes, our baseball season at D. H. S. was filled with excitement. Onlookers endured the blazing, hot sun just to cheer our boys on to victory and to moan at their defeat.

Coached by Mr. Dobson the team turned in a good record of seven wins, six losses. The team showed fine sportsmanship, as well as good examples of catching, pitching, running and hitting. Win or lose our boys played good ball and we're proud of them.

Letter winners in baseball were Harold Ward, James Cochran, Bill Belcher, Jerry Loar. Donald Wall, Kelly Childress, Leon Overstreet, Ted Cox, James Lambert, Wallace Flinchum and Eugene Quesenberry.

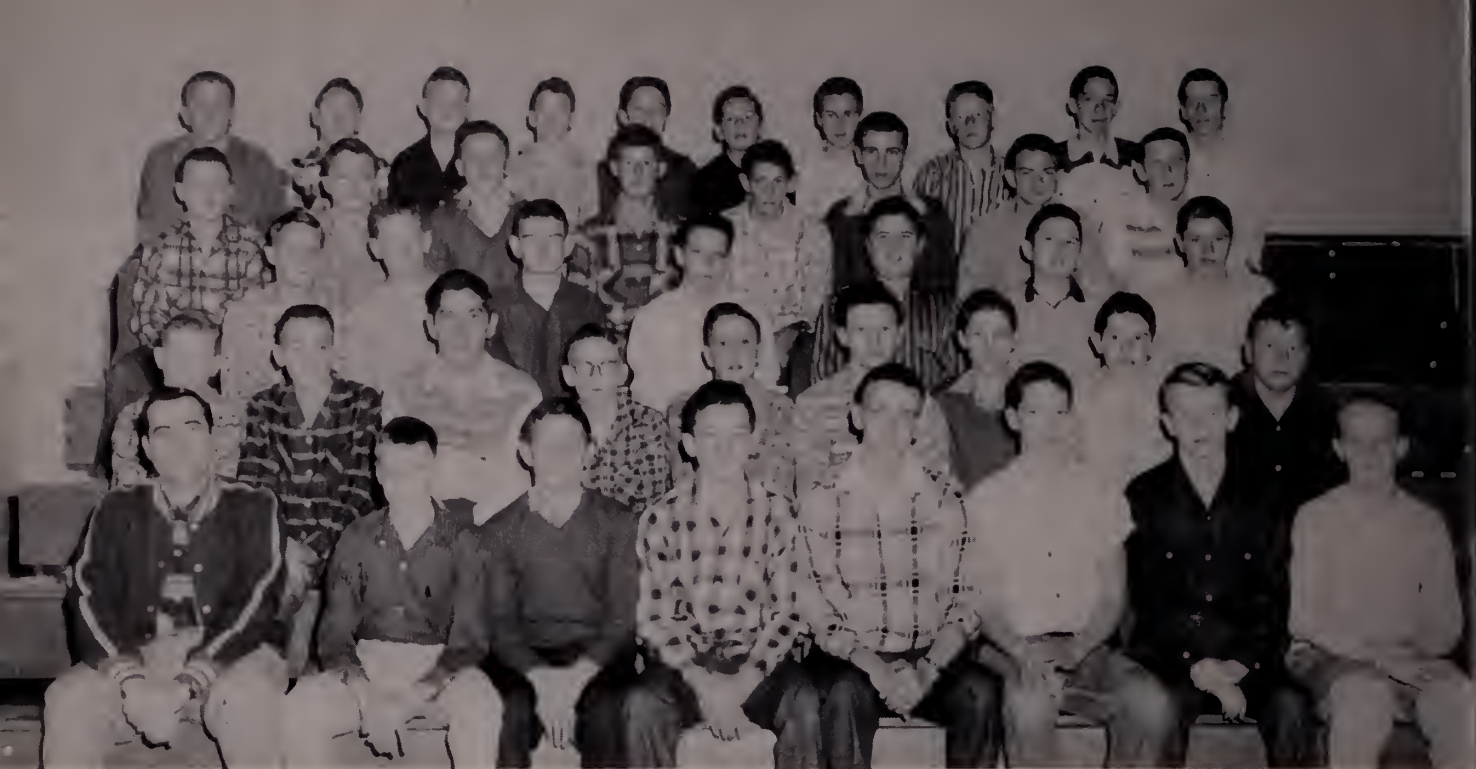

The season's record:

Pearisburg	4	Dublin	2
Blacksburg	11	Dublin	8
Christiansburg	3	Dublin	2

symbol of progress...

As graduation nears, let's take a serious look at the past. We see that education has been largely responsible for the progress of our nation.

Why? Education is PROGRESS.

Today — more than ever before — industry, business and labor, all, know the true values of a good educational system. EDUCATION continues to stand as a true symbol of PROGRESS.
